

AGE OF CONAN[®] RISE OF THE GODSLAYER

Platform: PC

Genre: MMORPG (Expansion)

Rating: Mature

Release: TBA

Website: www.riseofthegodslayer.com

**As the sun sets on the Empire of the East,
the Godslayer rises from the shadows**

'Age of Conan: Rise of the Godslayer' is the first expansion for the best-selling and critically acclaimed massively multiplayer online role-playing game *'Age of Conan: Hyborian Adventures'*. *'Rise of the Godslayer'* will deliver a wealth of new content and features for players across several level ranges, all set in the fading eastern empire of Kithai – a mysterious and fabled setting within the world of Hyboria.

Continue your adventures with your existing character or start off fresh with a Khitan – an all-new character race. Unearth ancient treasures, battle new monsters and traverse the lengths and breadths of the world from the back of majestic new mounts such as the Tiger. Choose a side in the conflicts between the Khitan people, fight for your faction and reap the rewards as you unravel the story of the Godslayer!

AGE OF CONAN[®] RISE OF THE GODSLAYER

- Embark on the most savage, sexy and brutal Conan adventure yet as you descend into the shadows that have fallen over Khitai, the fabled empire of the east! Ride across the grassy steppes and see the purple pagodas of Paikang rising from the vine-choked bamboo jungles. Unravel the corruption that threatens to taint the very heart of this beautiful land forever!
- *Age of Conan's* highly acclaimed real-time, action-packed combat gameplay is taken to new heights with incredible martial arts moves, ancient magic, and epic weaponry. Extend your character's powers through a new alternate advancement system that allows you to unlock a vast collection of new abilities that breathes new life into the revolutionary combat system!
- Begin your adventure as a Khitan, an all-new character race, and experience a wide variety of new low-level content. Venture into the land of Khitai as you embark on new quests and acquire new rewards geared towards players fresh off the boat from *Tortuga*!
- A wealth of new content for high-level players! Explore vast overland regions such as the serene *Chosain Province* or the desert of black sand known as *Kara Koram*, and delve into numerous new dungeons such as the magnificent *Pillars of Heaven*. Battle all-new monsters and acquire countless new rewards such as fantastic weapons and armor sets!
- Engage yourself in a mature and deep storyline that brings dramatic storytelling techniques into high-level gameplay. Through hundreds of new, lovingly crafted quests you will follow in the footsteps of Conan himself, where you will discover that the actions of the great barbarian have caused a great upheaval in this far flung land. The truth behind King Conan's actions are twisted and hidden amongst the moral shades of grey of Khitan politics!
- Experience the true power of *DirectX 10* graphics with enhanced visuals and new groundbreaking graphical features that brings the land of Khitai to life. The new visual style of the east will also provide a fresh, new look on Hyboria – the savage world of Conan!
- Pick your side! Join one of many warring factions of Khitai, complete assignments for them and slaughter their enemies to reap the exclusive rewards. As you gain influence in a faction you will earn ranks which in turn can be used to unlock incredible treasures. But watch your back, because the enemies of your friends will not hesitate to stab you in your back!
- Explore the lands of Khitai from the back of two new mounts – the Wolf and the Tiger. Starting out as defenseless pets, these creatures will follow by your side and can be grown into ferocious fighting companions through a series of unique quests. Ultimately you will be able to grow them into spectacular mounts that will carry you on your adventures!
